ZANA

The Zanzibar Nurses Association (ZANA) is a nongovernmental organization registered in Zanzibar since 1992 with the aim to improve the professional standard of nursing care and services that promote the wellbeing of the community particularly women and children. At early-stage ZANA required to improve nurses but extend their role toward proving better services to the communities' especial rural ones relating to sexual reproductive health and home-based care to people living with AIDS

Why Join Us

Be part of a strong professional network

Connect with fellow nurses across Zanzibar. Grow together through shared knowledge and collaboration.

Access training, mentorship & leadership opportunities
